

REQUEST FOR EXPRESSION OF INTEREST FOR THE PROVISION OF FIRE FIGHTING EQUIPMENT – REF. 190709

Worley Europe Limited as EPcmC Early Services Contractor for EACOP Project invites experienced and reputable Contractors to express their interest in providing Fire Fighting Equipment for the East African Crude Oil Pipeline (EACOP) Project.

The Republic of Uganda, the Uganda National Oil Company (UNOC), the United Republic of Tanzania and/or Tanzania Petroleum Development Corporation (TPDC), as well as other international oil companies partaking in the development of Exploration Areas 1, 1A, 2 and Kingfisher Discovery Area in the Albertine Graben in Uganda or their affiliates will participate in the implementation of the EACOP Project (Potential Pipeline Participants).

The EACOP Project development involves the engineering, construction, operation and maintenance of a crude oil export pipeline crossing Uganda and Tanzania and an onshore Marine Terminal in Chongoleani, near Tanga Port in Tanzania.

BRIEF DESCRIPTION OF THE SCOPE OF THE MATERIALS

The EACOP requirements for Fire Fighting Equipment shall include, but will not necessarily be limited to:

- Firewater Deluge Valve Skids (2 – 5 valve skids, ~100 m³ to 500 m³ capacity)
- Firefighting Foam Storage Tanks (~2 m³ – 40 m³ capacity)
- Deluge Nozzles
- Firewater Hydrants, Equipment and Cabinets
- Firewater Monitors
- Firewater Monitor Control Panels

- Firewater Hydrant/Monitors
- Portable CO₂, Dry Powder, Foam, Water Extinguishers
- Portable Extinguisher Cabinets
- Mobile CO₂, Dry Powder, Foam, Water Extinguishers
- Mobile Foam Units

The scope will include design, sourcing of material, manufacturing, assembly, packaging, supply of drawings and data, all sub-vendors co-ordination, factory testing, delivery FCA vendor and guarantees.

MINIMUM REQUIREMENTS:

Companies expressing their interest are invited to document their request with:

- A commitment to and evidence that they have experience in developing local / national content value.
- Confirmation that they can manufacture Fire Fighting Equipment to NFPA requirements.
- An experience list for similar equipment supplied to the Oil and Gas market in the last five (5) years.
- A copy of their own and main suppliers ISO 9001:2015 and 14001:2015 & OHSAS 18001 (ISO45001:2015) current certification.
- Extracts from their Supply Quality Management Procedures, showing how material quality control is implemented in the supply chain and identify what positive material identification is implemented through the manufacturing process.
- A two (2) years look ahead shop loading charts for the facilities intended to manufacture, assemble and test.

Interested companies which meet the minimum requirements and have the capacity to provide the goods listed above should express their interest by sending together with the above listed documents an email to **FFEQUIPMENT@EACOP-PROC.COM** (Max. Email Size: 20 MBs & All documents must be submitted in the English language) on or before 17:00 hours East African Time (EAT), on 24th July 2019.

Companies satisfactorily meeting the above minimum requirements will receive, subject to the signature of a Non-Disclosure Agreement (NDA), a detailed pre-qualification questionnaire for further evaluation by Company.

Note: Only pre-qualified companies will receive an invitation to submit their bid in furtherance of the Call for Tender process.
